2023–2024 Student Health Insurance Plan for Johnson & Wales University

Who is eligible to enroll?

All undergraduate day students, both domestic and international, all international graduate students, and any graduate student required to be enrolled under programmatic requirements (e.g., students enrolled in the Physician Assistant Program, on-campus Occupational Therapy Program, Addiction Counseling or Clinical Mental Health Counseling master's degree programs, etc.), registered and attending Johnson & Wales University and taking credit hours (excluding full-time Johnson & Wales employees) are eligible and enrolled in the plan on a hard waiver basis. Whether a student is “registered” and “attending” shall be determined exclusively by Johnson & Wales University.

Except as otherwise provided herein, the student (Named Insured, as defined in this Certificate) must actively attend classes for at least 31 days after university classes start to remain eligible. If a Named Insured ceases to be eligible within the first 31 days from the start of classes, coverage will be terminated back to the effective date for which coverage is purchased.

Home study, correspondence, and online courses do not fulfill the eligibility requirements. Notwithstanding anything herein, eligibility requirements of students enrolled in the university's in-person programs shall not be impaired based solely on attendance of classes through an online, remote, or virtual learning environment (1) in the case of a declared federal or state public health emergency that would require online, remote, or virtual learning, or (2) in the case of attendance via online, remote, or virtual learning due to an accommodation for a disability granted by the university.

Medical Leave of Absence Eligibility requirements: A student can enroll in the student health insurance plan while on an approved medical leave of absence for a maximum of one semester if the student was enrolled as an Insured under the student health insurance plan in the prior semester. In addition, if an Insured suffers an Injury or Sickness while meeting the eligibility requirements, that results in the Insured taking a medical leave of absence, coverage will remain in force until the end of the semester for which coverage was purchased. The Insured must have their medical leave of absence approved in writing by the director of the student health center (or similar position, irrespective of the title) or their designee to be eligible. At the time of taking the leave, the Insured must intend to return to Johnson & Wales University and remain a degree-seeking candidate.

HealthiestYou does not guarantee that a prescription will be written. Services may vary by state.

*Available to Insured students; age restrictions may apply. If you call prior to the effective date of your coverage under the insurance plan, you will be charged a service fee before being connected to a board-certified physician.
